

HOLIDAY HW- Grade 5

ENGLISH

Treasure island

Design a new book cover

Create chapter tweaks (write one sentence about every chapter you read).

MATH

- Chapter-Operations on Large Numbers
Question bag 01, page54
- Chapter-Simplification
Question bag 1and 2 page 59

SCIENCE

Complete the activity/ projects given after the units in your textbook with pictures of you doing the activity in scrap book.

SOCIAL SCIENCE

Collect information from people who do cleaning jobs in your locality. Find out about their education, why do they do this work, how much they earn and what difficulties they face in their work. Present a report in class.

Observe the houses in your neighbourhood. Do you see any special features in those houses that may help during the rainy season, or the cold or heat? It could be the structure of the roofs, walls, courtyard or veranda or anything else that may be special. List them on a chart and present in the class.
