

With reference to the chapter on 'Natural Vegetation and Wildlife Resources', make a project on **North America** , with the help of the following guidelines.

**Guidelines:**

1. The project should be made on A4 sheets only and filed together.
2. Collect information and pictures related to:
  1. Related maps
  2. Region wise divisions
  3. Natural vegetation/grasslands
  4. Animal life
  5. National parks
  6. Marine life
