

Holiday Homework - Grade 6

Social Science

Make a scrapbook about the planets in our solar system.

Include the following information:

- (a) Introduction to the Solar System
- (b) Size, Composition, Environment (atmosphere, gases, water, gravity, temperatures, seasons etc)
- (c) Names and number of satellites
- (d) Who discovered each planet and when

Complete all worksheets in Block 21 (Workbook volume 3)

MATH

Chapter-Playing with Numbers

Exercise 3D, page59

Mental math, Page 73

SCIENCE

Block 4-Making Fabric-To do practice and additional questions.

ENGLISH

MAKE A BOOK REPORT SANDWICH (The Blue Umbrella)

You need to draw slices of cucumber, tomato, and cheese; lettuce leaves; a layer of mayonnaise, and a couple of slices of bread. Then photocopy the drawings onto appropriately coloured sheets of paper – cucumber on green, tomato on red, cheese on yellow, etc. The sheets will serve as ingredients for your book report sandwiches.

- On the top slice of bread, you will write the title and the author of The Blue Umbrella.
- On the lettuce, write a brief summary of the book.
- Write about the main character on the tomato slice.
- On the mayonnaise, describe the book's setting.
- Share the book's climax on the cheese.
- On the cucumber slice, describe the plot.
- On the bottom piece of bread, draw a favourite scene from the story.

Staple together the sandwich layers.

Spanish

Make a Chart comparing Uttarakhand and any 1 province of Spain including history, culture, tradition & cuisine.
